

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

August 11, 2008

H.R. 4779

A bill to enact certain laws relating to public contracts as title 41, United States Code, “Public Contracts”

As ordered reported by the House Committee on the Judiciary on July 30, 2008

H.R. 4779 would codify portions of title 41 of the United States Code, and would make conforming changes to various laws concerning public contracts. In restating existing law, the legislation would make technical changes to the law involving public contracts that would primarily affect organization, style, and terminology. CBO estimates that enacting H.R. 4779 would have no significant impact on the federal budget and would not affect direct spending or revenues.

H.R. 4779 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
